Gelsenkirchen, 27.04.2006

TEST CERTIFICATE

on the propagation of microorganisms on the surface of materials used in the area of drinking water pursuant to the statutory provision DVGW Technische Regeln (technical directions), work sheet W 270, as of November 1999

Client: KÖSTER BAUCHEMIE AG
Dieselstrasse 3 – 10
26607 AURICH

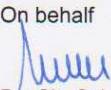

Test material: Köster NB-Dichtungsschlämme I grau

Test method: material test

According to test report **W-138835-06-SI** from 27.04.2006, the material **Köster NB-Dichtungsschlämme I grau** mentioned above is conform to the requirements for the use in the area of drinking water pursuant to DVGW work sheet W 270.

This test certificate shall become valid upon date of issue and shall expire on **27.04.2011** provided that conditions and requirements remain unaltered. Upon these conditions the validity may be extended on application up to another 5 years term.

Director of the Institute
On behalf

Dr. Ch. Schell
(Abteilung Wasserhygiene und Umweltmikrobiologie)
